

2026 HTCIA Ohio Chapter Spring Training Conference

May 20 – 22, 2026,
Salt Fork Conference and Event Center,
Kimbolton, OH

Salt Fork State Park

Join us for the annual High Technology
Cyber Investigation Association, Ohio
Chapter, Spring Training Conference at the
Salt Fork State Park Lodge in Kimbolton,
Ohio!

Purpose

HTCIA provides education and networking opportunities for those with an interest in or careers involving Digital Investigations and Incident Response. Some presentation topics and hands-on labs may also touch upon general cybersecurity knowledge & technologies, in addition to non-digital investigative methods, tactics & techniques. This year's keynote speaker is **Nathan Norris, State of Ohio Deputy CISQ Operations Office of Information Technology Information Security and Privacy.**

Who will be in attendance?

The Ohio Chapter of HTCIA is composed of a diverse pool of talent across local, state, and federal agencies/departments, in addition to professionals in private corporations, both large and small. Professional experience ranges from students with little or no practical experience, to well-known experts with decades of experience. This is a safe learning environment where we all share and learn from one another.
